Yamaha FL1024M 1GB Expansion Memory Module

The Entertainer Gold data can be downloaded from yamahamusicsoft.com *. The Entertainer Pack 2016 and Euro Dance Pack 2016 together require approximately 100MB of memory and, after installation, are accessible in the same way as the on-board content. You can also purchase and load many other Expansion Packs from the Yamaha Premium Voice & Style Library simultaneously.

* Computer and Internet access required

140 Styles, 80 Voices, 22 Multipads
and 26 Registrations.
Superb, original quality content
for Tyros5 from Yamaha.
